

Coedwig

5 November/Tachwedd – 31 December/Rhagfyr 2011

Each Christmas Oriel Myrddin present a selection of affordable and beautiful craft objects to tempt our visitors to buy hand-made gifts. We theme the exhibition, so that there is a spirit, if not of Christmas, then of winter and wonder, this year the theme is **Coedwig** (forest). A critically selected range of makers and artists present a special seasonal group exhibition.

This year artists, **Steffan Jones Hughes** and **Jeanette Orrell** are invited to create our *Artists' Christmas Tree* commission.
